A failing tiny nerve—no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing Stomach, Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit; anyway, don't drug the organ. Treating the cause of sickness is the only sane and sensible way. Sold by all dealers.

Most Monett People Have a Weak Part and Too Often It's the Back

Dull aching keeps up, day and night.

Tells you the kidneys need help—For backache is really kidney-ache.

A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys.

Cure backache and urinary ills. Good proof in the following statement.

William C. Shoemaker, Porter Ave., Aurora, Mo., says: "I can recommend Doan's Kidney Pills as they have benefited me more than any other remedy I have ever taken. My back was extremely lame and I noticed that the kidney secretions were frequent in passage and contained sediment. I have used several boxes of Doan's Kidney Pills, and they have given me entire relief. Other members of my family have also taken this remedy with beneficial results."

For sale by all dealers. Price 50c Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

LATHAM FAILS TO CROSS

Aviator Was Within Two Miles of Dover—Had Expected to Reach London and Eclipse All Previous Records of Flight.

London, England, July 27.—Hubert Latham, who started to fly across the English channel in a monoplane, plunged into the sea when within two miles of Dover. He started from San Gatto, France, at 6 o'clock this evening. Latham was rescued by a torpedo boat. The distance across the channel is 21 miles. Latham had given it out earlier in the day that he proposed to fly from Calais across the channel, thence continuing the journey overland to London, 85 miles inland, thus eclipsing the recent exploit of Louis Bleriot. The accident prevented the accomplishment of either of these feats, but his record of flight is next to that made by Bleriot.

Considerable interest is being manifested in the game to be played soon between Monett and Sarcosie on the Cassville grounds. The managers of each team are working their respective teams up in fine shape and will put up a great game. Of course Monett will win.

Life 100,000 Years Ago.

Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts.

Today the danger, as shown by A. W. Brown, of Alexander, Me., is largely from deadly disease. "It had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." To cure Sore Lungs, Colds, obstinate Coughs, and prevent Pneumonia, its the best medicine on earth. 50c and \$1.00. Guaranteed by A. H. Cox & Co. Total bottle free.

Sees Mother Grow Young.

"It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors gave her up and all remedies failed until Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure liver and kidney troubles, induce sleep, impart strength and appetite. Only 50c at A. H. Cox & Co's.

Ed and Ziff Roberts, of Cassville, are in the city today.
